Terms and Conditions

1. Agreement

This application, regarding patronage of, or exhibition at IEEE SAUS 2024 (the "Event"), when, properly executed by the applicant (the "Partner") and the Event management (the "Management") shall constitute a valid and binding contract (the "Agreement") for exchange of payment by the Partner for the Management's offer in what's described in the Event "Partnership Prospectus," or what's described in an Addendum to this Agreement. For purpose of this Agreement, an exhibitor or a patron who chooses to exhibit at the Event will be referred to as an "Exhibitor." Reference to "Exhibitor" shall also include the Exhibitor's employee, contractor, delegate, or any other substitute, in singular or plural form, permitted by the Exhibitor to be within their assigned Booth.

2. Booth Assignment

For fairness, the Management's commitment to the Exhibitor for an assigned Booth will be made based on who paid for the Booth first. Management will continue to assign Booths until space for a Booth is no longer available. Assignment of a Booth is final and shall constitute an acceptance by the Exhibitor to occupy the Booth. The Management will make reasonable effort to accommodate adjustment or changes, notwithstanding that generally after Booth assignment the space location may not be changed, transferred or canceled by the Exhibitor except upon written request to and with the subsequent written approval of the Management. The Management reserves the right to reassign exhibitor space or modify the floor plan for overall benefit of the show, while acting in good faith with the Exhibitors.

3. Subletting Booth

No Exhibitor may assign, sublet, or apportion the whole or any part of the space allotted to them, nor permit any other person or entity to exhibit therein, any other goods, apparatus, or anything else not manufactured or distributed by the Exhibitor in the regular course of their business except upon prior written consent of the Management.

4. Booth Rental Rates

Booth rental includes materials and services described in the Event Partnership Prospectus.

5. Payment Requirements and Cancellation Charges

In all cases, Partner payment must be received on or before the invoice due date, and particularly prior to the Event opening. To avoid any confusion, all cancellations must be made in writing and will be based on the following:

Schedule of refunds:

After January 31, 2024, but. before February 29, 2024:

- Refund of 50% of the total Partner fee.

On or after February 29, 2024:

- No refund or credit.

It is understood that the Management reserves the right, at its option, to reassign a cancelled Booth regardless of the cancellation rate assessed. If the premises in which the Event is conducted becomes, in the sole reasonable discretion of the Management, unfit for occupancy, or substantially interfered with by reason of any cause or causes not reasonably within the control of the Management, this Agreement may be terminated by the Management. For this purpose, the term "cause" or "causes" shall include, but not by way of limitation, fire, flood, epidemic, earthquake, explosion or accident, blockage, embargo, inclement weather, governmental restraints, restraints or orders of civil defense, or military authorities, act of public enemy, riot or civil disturbance, strike, lockout, boycott or other labor disturbance, inability to secure sufficient labor, technical, or other personnel, failure, impairment or lack of adequate transportation facilities, inability to obtain, or condemnation, requisition or commandeering of necessary supplies or equipment, applicable law, ordinance, rule, order, decree or regulation regardless of reason including Force Majeure and Act of God. Should the Management terminate this Agreement pursuant to the provision of this paragraph, as goodwill in the interest of the parties to this Agreement, and best continued relations, the Management will offer the Partner a refund for the invoiced amount.

6. Alteration of Booth

The Management shall be entitled to alter the layout if, in their opinion, this is in the general interest of the Event.

Terms and Conditions (continued)

7. Demonstrations

No demonstrations or solicitations shall be permitted outside of the Exhibitor's assigned Booth, and no signs or placards may be displayed on persons or otherwise outside the Booth unless expressly permitted in writing by the Management.

8. Booth Staffing and Dismantling Schedule

In the best interest of the Exhibitor, the Booth and the Event participants, it's expected that the Exhibitor will staff the Booth when the exhibition is officially open and only dismantle their Booth set-up after the exhibition officially closes. For the sake of image reputation and safety for all, contents in the Booth must be maintained in a neat and orderly manner and in Compliance throughout the exhibition. Exhibitors are responsible for removal of all contents used in their display to avoid being charged for content removal by others.

9. Losses or Damages

Exhibitor agrees that the Event and the Management shall not be liable for any damage or liability of any kind or for any loss, damage or injury to persons or property during the term of this Agreement, from any cause whatsoever by reason of use, occupation or enjoyment of Booth by the Exhibitor or any person thereon and that the Exhibitor will defend, indemnify and save harmless, the Event and the Management from all liability whatsoever, on account of any claim against the Exhibitor or its employees or representatives.

10. Compliance

The Exhibitor assumes all responsibility for compliance with all pertinent ordinances, regulations and codes of duly authorized applicable governing bodies concerning fire, safety or health, together with the rules and regulations of the Management plus the operators and/or owners of the property wherein the Event is held. The desired Exhibitor behavior described in this clause shall be referred to as "Compliance," and the Exhibitor is expected to comply for the benefit of all.

11. Policy

The Partner or Exhibitor further agrees that the conditions, rules and regulations of the Management, IEEE Nondiscrimination Policy, and IEEE Privacy Policy are made a part of this contract and that said Partner or Exhibitor agrees to be bound by each and all of these rules and regulations, and that the Management shall have the full power - with goodwill - to interpret, amend and enforce all rules and regulations in the best interest of the Event.

12. Term, Survivorship and Disputes

This Agreement is legally binding from the time of execution until the time of fulfilment by the Partner or Exhibitor and the Management. This Agreement shall apply to the Partner or Exhibitor and their successor during the Term. Clause nine (9) herein, labelled "Losses or Damages," shall apply for the statutory period applicable for such claims. In the event of an unresolvable dispute with the Management, escalation may be made to the Event General Co-Chair(s) named in the Event website.
