The Conference Catalysts, LLC lead retrieval system provides the latest scanning technology, giving you the ability to easily scan, view and qualify attendee information, take notes and edit information quickly, on your own smart phone! There is no need to purchase or rent additional hardware. You simply tell us how many users you want to have access, what Qualifying Questions you want to include, and we will provide instructions for setting everything up on your phone.

All data collected is uploaded and stored in real-time on a secure server. We simply provide you with a web-link, username and password that will provide you access to download your leads whenever you want!

All orders are subject to Conference Catalysts standard terms and conditions. 100% cancellation fee will apply (no refunds) for orders canceled up to 3 business days before the show load in. Prices subject to availability.
