

IEEE AUTOTESTCON 2025

September 15-18, 2025 ★ National Harbor, Maryland

Gaylord National Convention Center

Increasing System Availability Through Advanced Test and Support Technology

CALL FOR PAPERS

IMPORTANT DATE

February 15, 2025

Abstracts Deadline

ORGANIZING COMMITTEE

GENERAL CHAIR

Bob Rassa

Raytheon (Ret.)

bo brassa1@gmail.com

TECHNICAL PROGRAM CHAIR

Michael Seavey

Northrop Grumman (Ret.)

mike.seavey@gmail.com

AUTOTESTCON is the world's premier conference that brings together the military/aerospace automatic test industry and government/military acquirers and users to share new technologies, discuss innovative applications, and exhibit products and services. It is sponsored annually by the Institute of Electrical and Electronic Engineers (IEEE).

AUTOTESTCON will be held at the Gaylord National Harbor Resort, National Harbor, MD, USA, on September 15-18, 2025. The technical program for AUTOTESTCON 2025 will be determined by the interests of those participants submitting for publication, presenting a technical paper or organizing a technical session. Papers and sessions should cover appropriate topics dealing with increasing DoD systems availability and automatic test technology in particular.

KEY TOPICS

Performance Based

Logistics

Health Monitoring & Diagnostics

Embedded Instrumentation

Support Economics

Test & Support Management

Cyber Security

- » Spiral Development and Evolutionary Acquisition
- » Flexible Sustainment
- » Interoperability
- » Design-For-Test/Built-In-Test
- » Fault Tolerant Systems
- » Legacy ATE Challenges
- » Future Logistics Support Concepts
- » Contractor Logistics Support
- » Maintenance Repair & Overhaul
- » Multinational Integrated Support
- » Commercialization of Military Maintenance
- » Electronic Warfare Test and Applications
- » CMMI Application to ATE/TPS Development
- » DMSMS Approaches
- » Organizational/Intermediate/Depot Level Maintenance For The Future
- » Next Generation Test Systems
- » Test Program Set Development
- » Prognostics
- » Test Requirements Definition and Verification
- » Factory and Development Test
- » Software Testing and Research
- » Development in Instrumentation and Measurement
- » Artificial Intelligence (AI) in Test
