### Rio de Janeiro International Airport – RioGaleão / Antonio Carlos Jobim (GIG)

Rio's main airport is the Antonio Carlos Jobim International Airport, better known as Galeão and is located on Ilha do Governador, in the northern part of the city. Galeão receives all international flights and also national flights from all over the country. The approximate distance from Galeão to Copacabana is 25km and to Barra da Tijuca approximately 35km.

<https://www.riogaleao.com/>

### Domestic Airport - Santos Dumont (SDU)

Located in the heart of Rio's Downtown area, the airport is only 10 minutes away from the South Zone, and approximately 40 minutes from Barra da Tijuca

<https://www.aeroportosantosdumont.net/en/>

Approximate distance	South Zone	Downtown area	Congress Venue Windsor Conv. Center
INT'L AIRPORT GIG	25KM	17KM	35KM
DOMESTIC AIRPORT SDU	10KM	3KM	26KM

## TAXI FROM INTERNATIONAL AIRPORT

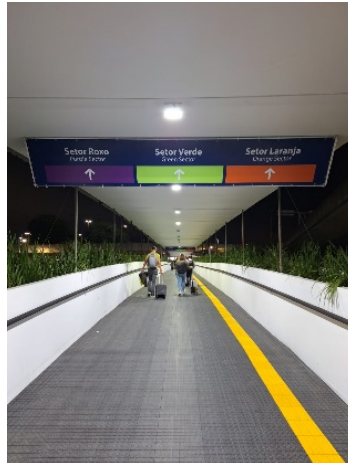

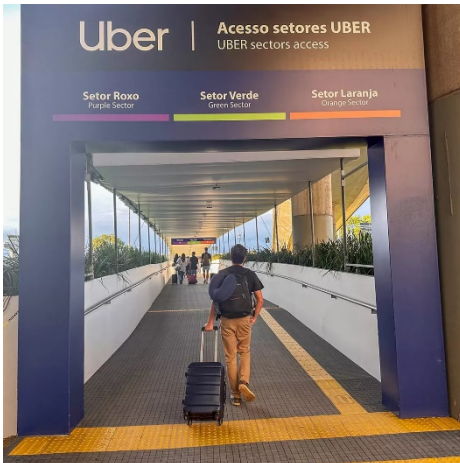

Yellow taxi (the regular city taxi): Amount is charged according to the taximeter. Taxi driver will probably not be able to speak English. In case of using this service, we recommend using the official Yellow taxi company at the airport.

Special Taxi : Special Taxi vouchers can be purchased at the arriving hall outside customs. Payment with credit card is accepted and hostesses are bilingual. In some companies the driver can also charge directly to the passenger. We advise "TranscoopassTaxi" <https://www.transcoopass.com.br/> - WhatsApp + 55 21 98112 8140 – Phone: +55 21 2209-1555, which is registered with the tourism Board.

## TRANSIT APPS

**UBER** - The international airport has an exclusive area marked with colors (orange, purple, green) for boarding. Exit through the domestic arrivals area. Follow the signs. At Santos Dumont Domestic Airport, boarding and disembarking works according to the location marked by the app. When you request the uber it will appear embarkation areas, chose the one closer to where you are.

*exclusive UBER area marked with colors (orange, purple, green) for boarding at GIG airport*

**99** - At the international airport, boarding takes place on level 2 (boarding), gates B or C. At Santos Dumont Domestic Airport, boarding and disembarking works according to the location marked by the app.

**INDRIVER** - At the international airport, boarding takes place on level 2 (boarding), gates B or C. At Santos Dumont Domestic Airport, boarding and disembarking works according to the location marked by the app.

**TAXI RIO** - At both airports, boarding can take place anywhere in the airport according to the app.

***UBER is the preferred Transit App to be used in Rio de Janeiro with affordable prices and experienced drivers.***

*For additional information such as: ride options, estimated prices, how to pick up and more, please access: <https://www.uber.com/global/en/price-estimate/>*

*The cost varies according to the weather and traffic conditions, but it may vary from BRL 90 to BRL 150 from GIG airport to the Congress Venue.*

*In Brazil we recommend using **UBER BLACK** as cars are more comfortable and drivers are more experienced.*
