

CALL FOR PAPERS

IMPORTANT DATES

November 13, 2023

Abstract Submission

November 20, 2023

Abstract Decision Notification

December 18, 2023

WIP and Paper Submission

January 29, 2024

Decision Notification

February 19, 2024

Final Manuscript Submission
and Author Registration

CONFERENCE COMMITTEES

CONFERENCE CHAIRS

Edmundo Tovar

UPM (Spain)

Christos Douligeris

University of Piraeus

Cleo Sgouropoulou

University of West Attica

Thrasylvoulos Tsiatsos

Aristotle University of Thessaloniki

TECHNICAL PROGRAM COMMITTEE CHAIRS

Manuel Castro

UNED

Michalis Xenos

University of Patras

Phivos Mylonas

University of West Attica

Christos Troussas

University of West Attica

Christos Katsanos

Aristotle University of Thessaloniki

PANELS AND WORKSHOPS COMMITTEE CHAIRS

Andreas Pester

BUE

Theodoros Karvounidis

University of Piraeus

Anca Vasilescu

Transilvania University of Brasov

Akrivi Krouska

University of West Attica

Christos Papakostas

University of West Attica

SPONSORSHIP AND EXHIBITION COMMITTEE CHAIRS

Michail Giannakos

NTNU

Nektarios Mournoutzis

Technical University of Crete

Simos Retalis

University of Piraeus

The event will be held in Kos Island, Greece, May 9-11, 2024. Several pre-conference workshops will be held on May 8, 2024.

The IEEE Global Engineering Education Conference (EDUCON) is one of the flagship conferences of the IEEE Education Society. EDUCON2024 is the 15th in a series of conferences that rotate among central locations in the IEEE Region 8 (Europe, Middle East, and Africa).

Held annually since 2010, EDUCON provides an opportunity to scientists, professional engineers, and students to present their work, publish their results, exchange ideas, and network for future scientific and industrial collaborations.

The conference will continue to serve as a catalyst for connecting local and international stakeholders, hence adding value to the global dialogue on how to positively contribute to the advancement of engineering education.

Accepted and presented papers will be submitted to the IEEE Xplore Digital Library for publication and will appear in the Conference Proceedings Citation Index (CPCI)—an integrated index within Web of Science.

TOPICS OF INTEREST

Papers in all areas of engineering education are invited, with particular emphasis on the main focus of the conference Multidisciplinary Approaches in Engineering Education and on current issues in Engineering Education such as:

- » K-12 STEM Education Initiatives
- » Student-centered Learning Environments
- » Engaging Undergraduate Students in Research
- » Digital Transformation
- » Ethical Challenges
- » Women for Leadership in Engineering Equity, Diversity, and Inclusion
- » Future-oriented and Personalized Educational Concepts
- » Game-based Learning and Gamification
- » Non-traditional Lab concepts
- » Multidisciplinary and Transdisciplinary Education
- » Virtual and Remote Labs and Classrooms
- » Generative AI in learning and educational settings
- » Education in the Industry 5.0 era
