Site under review

Welcome to the MMM 2025 Conference Invited Nominations Submission Site!

The MMM 2025 will take place at the Palm Beach Convention Center in Palm Beach, Florida on October 27 - 31, 2025.

Members of the international scientific and engineering communities interested in recent developments in fundamental and applied magnetism are invited to attend and contribute to the technical sessions. The technical program will include invited and contributed papers in oral and poster sessions, invited symposia, a tutorial, and several special sessions. This Conference provides an outstanding opportunity for worldwide participants to meet their colleagues and collaborators and discuss developments in all areas of magnetism research.

- **Invited Speaker and Symposium Nominations submission site opens March 17, 2025.**
- **Invited Speaker and Symposium Nominations submission deadline is May 5, 2025.**
- **Returning users:** If you accessed the submission site for prior Magnetic Society Conferences, you can login with the same User ID and Password used previously. If you have forgotten your previous login credentials, please select 'Forgot Password' from the top navigation panel and an automated email will be sent to you.
- **New users:** If you did not use the submission site previously, please choose "Create an Account" from the top navigation. You will create a User Name and Password for direct login on future visits to this site.
- **USER IDS AND PASSWORDS ARE CASE-SENSITIVE.**

Welcome Submission Review

Welcome to the MMM 2025 Invited Nominations Submission Site!

Nomination submission deadline is May 5, 2025.

On behalf of the Conference organization team, I welcome you to the invited speaker and symposium nominations submission site for the 70th Annual Conference on Magnetism and Magnetic Materials.

Invited talks and symposia are among the most important aspects in the scientific program of this Conference. The call for nominations is open to the community at large. Note that a symposium typically has 5 invited talks, focused on a single theme of particularly high interest to the magnetism and magnetic materials community.

A nomination does not guarantee an invited talk. Invited speakers will be contacted directly by the Program Co-Chairs in June. Nominating someone does not guarantee that they will be given an invited talk. If their nomination for an invited talk is accepted, they must submit an abstract through the invited speaker submission site. If their nomination is not accepted, they must resubmit their abstract for consideration as a contributed talk if they want to be considered for the technical program.

Detailed information about MMM 2025 Conference as well as abstract submission details can be found at www.magnetism.org.

I look forward to seeing you in October 2025 in Palm Beach, and to an enjoyable and exciting meeting.

Regards,
Tiffany Santos
General Chair, MMM 2025 Conference

Abstract submission site opens June 2, 2025. Abstract submission deadline is June 20, 2025.

Please note that the submission deadline for early decision for visa applications is June 9, 2025. Visit <https://2025.magnetism.org/authors/abstract-submission> for more details.

NOMINATION SUBMISSION INSTRUCTIONS

IMPORTANT: All invited speakers (single speakers and symposia) will be expected to present onsite in Palm Beach. **Please confirm with the person being nominated that they agree to present in-person.**

Special sessions held onsite, including the Symposia, Tutorial, and Evening Sessions, will be recorded and available for viewing on-demand after the Conference.

All oral presenters, including invited speakers, will have the option to submit presentation slides for inclusion in the Conference Resource Center. Prerecorded presentations will not be collected.

SUGGESTIONS FOR STRONG NOMINATIONS

To increase the possibility of success of your nomination, please consider:

- emphasizing speakers who did not give invited talks in the most recent 2025 Joint Conference;
- keeping in mind diversity of topics and speakers from our community;
- listing recent references related to the nominated work;
- commenting on the presentation capability and availability of the speakers; and
- having a very attractive symposium title

GETTING STARTED

- To begin a new submission, click on "**Create New Submission**" in the left menu bar.

GENERAL INSTRUCTIONS

- You can navigate this system either by clicking the "**Save and Continue**" and "**Back**" buttons at the bottom of each page or by clicking the "**Step #**" links in the left sidebar menu.
- To **save your submission**, you must click the "Save and Continue" button at the bottom of the page or a different "Step #" link in the left sidebar menu.

Data
to provide

A screenshot of the abstract submission interface. On the left is a navigation menu with options: 'View Submissions', 'Create New Submission', 'Step 1: Submission type', 'Step 2: Title/Body', 'Step 3: Properties', 'Step 4: Speakers', and 'Step 5: Review & Submit'. The main area is titled 'Step 2: Title/Body' with ID: 4306547. It contains a summary bar with 'Deadline: May 5, 2025 11:59 PM', 'Contact Name: Enrique del Barco', and 'Total Characters: 0 out of 1,500'. Below this is the section 'Symposium Title and Speaker Titles/Descriptions' with instructions and a list of required fields. There are two rich text editors: one for 'Symposium Title' and another for 'Symposium Description and References (up to 1500 characters)'. A character count '0 CHARACTERS' is visible at the top right of the second editor.
